

Local LASIK Surgeon Recognized: 2008 U.S. Top 50 Surgeon

FOR IMMEDIATE RELEASE

West Palm Beach Florida – March 31, 2009 – Dr. Steve S. Spector a leading LASIK surgeon at Presidential Eye Center in West Palm Beach has been distinguished as a 2008 Top 50 Surgeon in the U.S. by Sightpath Medical. The surgeon was chosen from more than hundreds of surgeons nationwide.

Sightpath has recognized Dr. Steve S. Spector as a leading U.S. LASIK surgeon based on surgical experience and excellence demonstrated through procedural volume, along with delivery of exceptional patient care. Dedicated to the community, Dr. Spector performed over thousands of LASIK procedures last year, ranking him among this elite group.

Dr Spector is a recognized expert in ophthalmology and specializes in cataract and refractive surgery. His extensive knowledge of a wide-range of ophthalmologic conditions ensures all his patients that all of their eye care will be personalized.

As Dr. Spector stated, *“I’m honored to be recognized with this achievement.” My DEDICATED team has made it possible to provide the best eye care and laser vision correction experience to each and every patient who walks through our doors. We want to give a special thank you to the patients who have trusted us with their vision care. From day one, our first commitment has been to our patients – generation after generation.”*

“Our Top 50 Surgeons are leaders in the LASIK industry and general ophthalmology. They know that having the latest training and technology is critical to achieving the best possible eye care results for their communities. We are proud to help support their efforts to provide superior eye care in their communities,” said Jim Tiffany, President, Sightpath Medical.
